4.8 Newtrax is not obliged to inspect the Goods upon delivery. Instead, Newtrax must be able to rely on the quality management system of Supplier which shall control the production process and shall assure that the Goods are in accordance with the Specifications and the Agreement.

## 5. SUPPLIER'S GENERAL OBLIGATIONS

5.1 Supplier shall perform its obligations in a professional, timely, efficient and careful manner according to highest market standards and in accordance with and in full compliance with the Agreement, all applicable laws and regulations and good industry practice.

5.2 Supplier shall verify before confirming the Purchase Order that Supplier has obtained all information necessary to determine that the Goods are fit for their intended purpose for which Newtrax is purchasing the Goods.

5.3 Supplier shall with due diligence inspect the drawings and Specifications provided by Newtrax. Supplier shall without delay notify Newtrax of any defect, discrepancy and inconsistency discovered therein.

5.4 Supplier shall not make any changes to the Goods or Specifications or the production methods without Newtrax's prior written consent. Supplier shall be allowed to, upon notice to Newtrax and with no additional cost to Newtrax, make minor modifications to the Specifications, which do not affect the delivery dates, fit, performance, function or warranty of the Goods.

5.5 Supplier agrees that the Technical Data, if any, shall belong to Newtrax, and shall be transmitted to Newtrax for purposes including, but not limited to, developing its products, solutions and services. Newtrax shall own all works, products, reports and improvements based upon, derived from, or incorporating Technical Data. Technical Data may be transferred (a) to the Newtrax Affiliates and (b) to third parties who act for or on Newtrax's behalf for processing in accordance with the non-exclusive purpose(s) listed above or as may otherwise be lawfully processed. Newtrax's rights to use Technical Data shall survive the termination or expiration of the Agreement, any applicable warranty period and any other commercial contract between Supplier and Newtrax. For the avoidance of doubt, Technical Data shall be considered as Newtrax's Confidential Information.

5.6 Supplier warrants that the Goods, including its logic-bearing system components (e.g. hardware, firmware, and software hereafter referred to collectively as the "Critical Components") shall in no event contain any viruses, trojans, spyware or any other malware and it shall not manufacture, distribute or subject any of Newtrax's information systems to the same. The Goods shall be delivered with the latest authentic Supplier security patches. Supplier agrees to provide summary documentation of all known and reasonably suspected vulnerabilities for the Critical Components and agrees to deliver the relevant documentation with the recommended compensating mitigation workarounds for the Goods. Newtrax and Supplier shall agree on the maintenance and support of any Critical Components separately in writing.

5.7 Supplier represents and warrants that the Goods do not contain, do not interfere with, do not require, are not linked to and do not make use of any third-party software, including any open source software, unless agreed otherwise in accordance with this Clause 5.7. This means that Supplier shall not, without the prior written consent of Newtrax, include any third-party software, including open source software, in the Goods. In case

Supplier intends to use any third-party software in the Goods, including open source software, Supplier shall provide Newtrax with all information on any third-party software to be included in the Goods as well as a comprehensive and accurate risk evaluation report in which Supplier defines any identified legal and technical risks (if any) associated with the use of the third-party software in question. After Newtrax has reviewed the report, the Parties shall endeavor to agree mutually in writing upon the conditions of the use of such third-party software prior to the use in order to minimize any such risks. Supplier shall always comply with the license terms of any third-party software used as part of the Goods as well as the conditions of the use agreed by the Parties. Supplier is obliged to maintain a list of used third-party software and provide Newtrax with a comprehensive and up-to-date list of the same without undue delay, if such list is requested by Newtrax. For the avoidance of any doubt, inclusion of any third-party software in the Goods in accordance with this Clause 5.7 does not in any way limit or affect any of Supplier's liabilities under the Agreement or otherwise.

## 6. PRICES AND PAYMENT TERMS

6.1 The purchase prices included in the Agreement and/or the separate Purchase Order fixed and are excluding value added tax (VAT) but shall include (i) any other taxes, duties, fees and other charges that need to be added to the prices for the Goods according to valid statutory provisions related to the country of origin/manufacture and/or country of delivery, and (ii) all packaging and packing costs. If the supplied Goods are subject to VAT, Newtrax will pay an additional amount on account of such VAT, provided that the VAT amount is invoiced at the same time and in the same manner as the payment for the supplied Goods and Newtrax is provided with a tax invoice or similar prescribed document as required by law.

6.2 Supplier shall not be entitled to increase prices unless otherwise agreed between the Parties.

6.3 Payment shall be made within 90 calendar days from the receipt of the invoice. Invoicing may not be made until the relevant Goods have been delivered and accepted by Newtrax. The invoice shall always state a Purchase Order number. Supplier shall comply with Newtrax's invoicing routines, as applicable and informed to Supplier by Newtrax from time to time. Supplier acknowledges and agrees that invoices that do not comply with the invoicing routines will be considered incomplete and not due for payment.

6.4 Payment for the Goods is subject to deduction or set-off of any claim related to the Frame Agreement which Newtrax may have against Supplier.

6.5 Payment under an Agreement shall not be construed as an acceptance of the relevant Goods or as a waiver of any rights by Newtrax.

6.6 Supplier shall not assign its receivables based on invoices to Newtrax to any third party without prior written consent from Newtrax.

## 7. VARIATION AND CANCELLATION

7.1 Newtrax has the right to order variations in the Goods ordered without separate compensation to Supplier. Variations may include, but are not limited to, increases or decreases in the quantity, changes in Specifications and execution of the Goods or any part thereof, as well as changes in the delivery schedule. If such variation has a substantial effect for the costs of Supplier, a fair adjustment of the price may be made. If Newtrax has ordered variation of its Purchase Order, Supplier shall honor its obligations arising under the altered order within the delivery time originally provided, unless such variation reasonably requires that Supplier be allowed a later delivery date.

7.2 Newtrax may cancel an Agreement, partly or in its entirety, without reason at any time. Should Newtrax cancel the Agreement, partly or in its entirety, for convenience, Newtrax shall: (a) for Goods that are ready for delivery from Supplier, and which Supplier cannot reasonably reallocate to a third party, take delivery of such part of the Goods and pay the relevant parts of the agreed price set forth in the Agreement; (b) for Goods that are not ready for delivery from Supplier, and which Supplier cannot reasonably reallocate to a third party, pay Supplier's proven direct costs for such Goods (or the relevant part thereof) prior to the cancellation; or (c) for Goods that Supplier reasonably can and is allowed to reallocate to a third party, be entitled to such cancellation without paying any part of the price for such Goods or incurring any costs.

## 8. TESTS AND INSPECTIONS

8.1 Supplier shall conduct all necessary tests and inspections of the Goods prior to the delivery at its own expense to ensure that the Goods meet the Specifications. Supplier shall obtain all inspection or test

certificates required by the laws and regulations of the country of manufacture and/or as specified in the Agreement.

8.2 Supplier shall keep written records of all tests and inspections referred to in Clause 8.1, stating the time, purpose, object, results, findings and the conductor of the test or inspection. Such records shall be available to Newtrax for at least 10 years after the delivery of the Goods.

8.3 Newtrax or its representative shall upon reasonable notice to Supplier be entitled to perform and conduct tests and inspections of the Goods and manufacturing procedure at Supplier's premises during normal working hours. Such tests or inspections shall not constitute acceptance of the Goods and shall be aimed to evaluate Supplier's compliance with the Agreement.

8.4 If the Goods do not meet the Specifications during such tests or inspections or if any defects exist, Supplier shall immediately correct such defects and shall pay Newtrax's expenses, if any, resulting from further tests and inspections.

8.5 Newtrax may perform tests or inspections on test samples. If Newtrax rejects a test sample Newtrax shall, at Supplier's request, return the test sample to Supplier and Supplier shall without delay deliver a new or corrected test sample to Newtrax at Supplier's cost. If such new or corrected sample fails to pass Newtrax's tests or inspections or fails to conform with the Agreement, Newtrax is entitled to cancel the Agreement without any liability on its part and return all test samples to Supplier at Supplier's cost.

8.6 Approved or rejected tests or inspections shall not relieve Supplier of its obligations under the Agreement.

8.7 No failure or inability of Newtrax to inspect or test any part of the Goods, including drawings, information and samples, as well as any approval, consent or rejection by Newtrax, shall release Supplier from its obligations and/or liability under the Agreement and/or law.

## **9. RISK OF LOSS AND TRANSFER OF TITLE**

9.1 The risk of loss and title to the Goods shall pass from Supplier to Newtrax upon completed delivery and acceptance of the Goods in accordance with the agreed delivery term.

9.2 If Newtrax is unable to receive the Goods or any part thereof on the agreed delivery date, the risk of such Goods shall pass to Newtrax when such Goods have been stored by Supplier as agreed by Newtrax.

9.3 Supplier hereby waives all rights and powers it may have in relation to the right of retention of title, the right of recovery and the right to claim back goods.

## **10. PRODUCTION TOOLS**

10.1 Supplier shall provide all Production Tools at its own cost unless otherwise agreed. Production Tools provided by Newtrax shall fully remain and be marked as the property of Newtrax. Production Tools paid for by Newtrax and provided by Supplier shall become the property of Newtrax.

## **11. WARRANTY**

11.1 Supplier represents and warrants that: (i) the Goods meet the Specifications, (ii) the Goods are free from defects including defects resulting from faulty design, materials or workmanship, (iii) the Goods are fit and safe for the intended purpose and use, which is known to Supplier; and (vi) the Documentation is free from defects including errors, omissions or unclear statements.

11.2 In event of a warranty claim by Newtrax, Supplier shall without delay investigate the reason for the defect in the Goods and secure the supply chain to eliminate the risk of such claim in the future. Supplier shall within 30 days of the claim from Newtrax deliver a report to Newtrax explaining the results of the claim investigation and also what corrective and preventive measures are being taken to avoid similar quality problems in the future.

11.3 The responsibility of Supplier under the warranties shall be limited to defects which occur during the warranty period or which can be satisfactorily demonstrated to have been in the Goods during the warranty period. Newtrax shall promptly notify Supplier of any defects in the Goods and Supplier shall, at its discretion and without delay, repair or replace the defective Goods at Supplier's cost. Repair shall be carried out at the place where the Goods are located unless Supplier deems it more appropriate that the Goods are sent to Supplier or a destination specified by Supplier at Supplier's cost. The Goods for replacement by Supplier shall be made available for collection by Supplier at its own cost at the location specified by Newtrax.

11.4 Supplier is not responsible under the warranties for defects caused by (i) a failure by Newtrax to follow the instructions in the Documentation,

(ii) modifications or alterations made to the Goods after the delivery without the prior consent of Supplier, or (iii) materials or structures prescribed or provided by Newtrax.

11.5 The warranty period shall be 24 months from the date of takeover, or 36 months from the date of the completed delivery of the Goods to Newtrax, whichever is longer. The date of takeover means the date when Newtrax's customer or end-user (as the case may be) of the Goods has accepted delivery of the Goods to it. Newtrax shall inform Supplier in writing of the date of takeover upon request.

11.6 Notwithstanding the warranty period provided to Newtrax as set out in Clause 11.5, in the event of defective Goods repaired or replaced by Supplier, a new warranty period of 24 months shall commence on the date Newtrax accepts the repaired or replaced Goods.

11.7 In urgent cases or if Supplier fails to remedy any defect in the Goods within a reasonable time, Newtrax or a third party appointed by Newtrax shall be entitled to repair or replace such defect at Supplier's cost or, if the defect is not capable of reasonable repair by Newtrax, to terminate the Agreement and withhold payment of invoice entirely or in part. Any such repair by Newtrax in accordance with this Clause 11.7 shall not release Supplier from any responsibility under its warranties, provided that such repair has been performed in accordance with the instructions of Supplier or otherwise with adequate skill and expertise. In case the Agreement is partly terminated, Newtrax shall be entitled to compensation for its loss, costs and damage up to a maximum of 100 per cent of that part of the purchase price which is attributable to the part of the Goods in respect of which the Agreement is terminated.

11.8 The Parties agree to handle warranty claims in a practical manner and in a way that minimizes the costs and damage to Newtrax's end-users. This means that in certain situations, for example in the event of safety risks, Newtrax or a third party appointed by Newtrax may replace or repair the defect Goods or part thereof, without prior notification to Supplier, and Supplier shall compensate the purchasing price of replacement parts, materials and labour used for the replacement or repair, and the related travel and freight costs.

11.9 If a defect in the Goods is such that Newtrax decides it appropriate to carry out a product recall to repair or replace the defective Goods, Newtrax shall promptly notify Supplier. Supplier shall at its own cost give such assistance to Newtrax as is reasonably requested and pay for Newtrax's expenses resulting from such product recall.

11.10 If a fault, defect or deficiency is discovered in the Goods and Newtrax has a reason to assume that it may also occur in other Goods delivered by Supplier, all such Goods shall be considered defective regardless of their warranty period.

## **12. LIABILITY**

12.1 Without prejudice to any liability set out in these Conditions, in the Agreement or at law, a Party shall compensate the other Party for any loss or damage suffered as a result of a breach of the Agreement.

12.2 Supplier shall indemnify and hold Newtrax harmless from any and all liabilities, damage, costs (including reasonable legal fees), expenses or loss incurred by Newtrax and its directors, subcontractors and customers as a result of claims, suits, actions, demands or proceedings related to and/or arising from injury and/or death, loss of and/or damage to property which may be attributable to Supplier's performance of its obligations under the Agreement, or to the delivery of the Goods or the use thereof. In case of third-party litigation, Newtrax shall agree on settlements at its discretion and Supplier shall assist and fully cooperate with Newtrax in all stages of the proceedings and processes.

12.3 The product liability for the Goods rests with Supplier. In case Newtrax, despite Supplier's product liability for Goods, becomes liable towards a third party under any law or regulation, Supplier shall fully indemnify and hold Newtrax harmless against and from such liability. If Newtrax is, as to the Goods, liable under a law or regulation to provide a third party with a notification regarding the identity of (i) the party primarily responsible for product liability (e.g. the original manufacturer or the importer of the Goods) or (ii) the party from which the Goods was procured (e.g. a subcontractor of Supplier), and Supplier fails to provide the said information to the third party within a reasonable period of time due to the acts or omissions of Supplier, then Newtrax shall be entitled to receive from Supplier any compensation paid by Newtrax to the party incurring the loss or damage.

12.4 Supplier shall hold and maintain global general liability insurance for the minimum amount of CAD \$1,000,000 to cover Supplier's responsibilities under law and each Agreement. Such insurance must

include a waiver of subrogation clause and state Newtrax as an additional insured. A certificate of such insurance shall be provided to Newtrax upon request.

12.5 Neither Party is liable for any indirect or consequential loss or damage, including, without limitation, loss of profits or anticipated profits, unless a Party acted with gross negligence or willful misconduct. This limitation of liability does not apply to Supplier's warranty obligations, the obligation of the Supplier in relation to delay of delivery, the indemnification obligations of Supplier and/or consequences of infringement of Intellectual Property rights of the Parties (to the extent any of them would be considered consequential damages and/or losses). Any damage caused by the Goods to any property other than the Goods or persons, and costs attributable to the mitigation or prevention of such damage, shall always be deemed as direct damage.

12.6 Supplier's liability towards Newtrax for its undertakings shall be the same regardless of whether the undertaking is performed by Supplier or its subcontractor.

### 13. INTELLECTUAL PROPERTY RIGHTS

13.1 A Party acknowledges and agrees that the other Party's Proprietary Goods shall at all times be and remain the exclusive and absolute property of the other Party.

13.2 Supplier hereby grants to Newtrax, without in any way limiting Newtrax's right to use the Good throughout its lifetime, a worldwide, non-exclusive, non-transferable, irrevocable, sub-licensable, perpetual, royalty free and fully paid-up right and license to use any Supplier Proprietary Goods for the sole purpose and to the extent necessary for the utilization of the Goods purchased from Supplier, including but not limited to repair, support and service the Goods, integrate it with other products and/or develop interfaces of interoperability with other products, with no accounting or reporting obligations towards Supplier. Supplier will during the validity of the Agreement, provide Newtrax with access to any related information necessary for the utilization of the Goods purchased from Supplier.

13.3 Unless specifically agreed otherwise between Newtrax and Supplier in writing, all Intellectual Property related to the Goods created in co-operation between Newtrax and Supplier during the term of the Agreement (including but not limited to design changes or updates or upgrades of Proprietary Goods), shall be vested in Newtrax or any Newtrax Affiliate designated by Newtrax. Supplier hereby transfers the Intellectual Property, including the right to modify and right to assign the Intellectual Property further, to Newtrax or any Newtrax Affiliate designated by Newtrax and waives its rights thereto. Supplier must acquire all relevant rights in order to ensure that Supplier can transfer the Intellectual Property in accordance with this Clause 13.3.

13.4 Supplier warrants that the Goods and Supplier Proprietary Goods do not infringe any Intellectual Property or any other rights of any third party. Supplier shall, at its own expense, indemnify, defend and hold Newtrax its agents and employees, and anyone selling or using the Goods and Supplier Proprietary Goods harmless, from and against any and all claims, losses, damage, costs and expenses (including reasonable attorneys' fees) arising out of or in connection with any and all claims brought by a third party alleging that the production, use or sale of the Goods and Supplier Proprietary Goods constitute an infringement or alleged infringement or misappropriation of any third party right, including, without limitation, any third party Intellectual Property right.

13.5 In the event that Supplier, at any time during the duration of the Agreement or thereafter, transfers or assigns any of its Intellectual Property rights to any third party, such assignment shall be subject to the rights granted to Newtrax and Newtrax's end-users.

13.6 Supplier shall honor and refrain from using or referring to the trademarks or trade names owned or generally used by Newtrax or any company belonging to the Sandvik Group unless: i) in connection with the activities of Supplier with Newtrax, and ii) the Agreement explicitly allows or obliges Supplier to use those trademarks or trade names.

### 14. CONFIDENTIALITY

14.1 Each Party undertakes, during the Term of this Agreement and for a period of ten (10) years thereafter, to refrain from revealing or forwarding to a third party or otherwise making public any Confidential Information.

14.2 The non-disclosure obligation shall not include information that: (a) is in the public domain at the time of execution of the Agreement, or which comes in the public domain during the term of the Agreement other than pursuant to a breach of the Agreement by the Party receiving the information; (b) is known to the receiving party at the time of disclosure by

the other Party without a restriction on further disclosure; (c) is received from a third party without a restriction on further disclosure; (d) is independently developed without using material or information received from the other Party by an employee, subcontractor or consultant of the receiving party; or (e) the receiving party is required to disclose by law or by a governmental or administrative agency or body (including without limitation any securities exchange body) or decision by a court of law, but then only after first notifying the other Party of the required disclosure. In the event either of a), b), c) or e) above applies, the receiving party shall keep confidential that it has also obtained the information from the other Party.

14.3 In the event that a Party should commit a breach of any of the confidentiality provisions, then such Party shall indemnify the other party against any claim, liability, loss, damage or expense (including legal fees and costs on a full indemnity basis) that the non-breaching Party incurs or suffers directly or indirectly as a result of such breach.

14.4 Notwithstanding the above, each Party shall be entitled to disclose the other Party's Confidential Information to its Affiliates and their respective directors, officers, employees or consultants, who need to know such material and information for the purposes set forth in the Agreement, on the condition that such Party undertakes to have confidentiality obligations in force with such Party, which is not less restrictive than those set forth herein. Notwithstanding the before mentioned, a Party disclosing information to any of its Affiliates and their respective directors, officers, employees or consultants, is at all times responsible and liable for the compliance by its Affiliates and their respective directors, officers, employees or consultants with the confidentiality provisions pursuant to this Agreement.

### 15. COMPLIANCE

15.1 Supplier undertakes to comply with the Sandvik Supplier Code of Conduct (available at <https://www.home.sandvik/en/about-us/sustainable-business/governance-and-compliance/compliance/supplier-code-of-conduct/>) and applicable ABC-Laws in the performance of its obligations in relation to the Agreement. Supplier shall ensure that its entire subcontractor and sub-supplier chain involved in supply of the Goods comply with Sandvik Supplier Code of Conduct and ABC-Laws.

15.2 Supplier shall ensure that the Goods are in conformity with all applicable laws and regulations including those regarding registration, evaluation, authorization and restriction of use of hazardous substances and chemicals.

15.3 Supplier shall furnish to Newtrax all relevant Documentation and information about the Goods to enable Newtrax to comply with all applicable environmental, health and safety legislation, licenses and permits in its use of the Goods.

15.4 Supplier undertakes to specify in writing to Newtrax at the earliest opportunity and, prior to accepting a Purchase Order, any Goods, parts, components or devices included in the Goods which are subject to export restrictions in the country of manufacture or in the countries where any of the Goods, parts or components incorporated in the Goods originate. Supplier shall also specify the scope of such export restrictions. Supplier shall always provide Newtrax without undue delay and in appropriate language the following, as applicable: a valid certificate of origin for supplied Goods (including included US components); a valid HS Code (the code of the Harmonized System, or the Harmonized Commodity Description and Coding System, which is an internationally standardized system of names and numbers to classify traded products, developed and maintained by the World Customs Organization); a valid Long Term Declaration (the Supplier's one-off declaration which is valid for consignments over a longer period of time and which can be made out for any consignments delivered during a period up to a maximum of two years) or a certificate of preferential origin; a declaration of conformity; a valid item test certificate; the current customs certification program participation status (C-TPAT, AEO, etc.); an up to date MSDS sheet (the material safety data sheet prepared in accordance with the laws and regulations applicable to the delivery and the Goods); an ECCN (the Export Control Classification Number, as listed in the Commerce Control List (Supplement No. 1 to Part 774 of the U.S. Export Administration Regulations)) relating to the Goods; and advanced manifest details. 15.5 The Goods shall be CE-marked (the symbol affixed to products before they can be sold on the European market, indicating that a product fulfills the requirements of relevant European product directives; meets all

the requirements of the relevant recognized European harmonized performance and safety standards; and is fit for its purpose and will not endanger lives or property) according to valid EU rules (or in accordance with similar quality and/or authority certification/requirements for any country outside of EU). The Goods shall be in compliance with any environmental and safety regulations prescribed in the law or by the authorities in the country where the Goods will be manufactured/operating/used.

15.6 Supplier undertakes to comply with any and all applicable laws and legislations (including, but not limited to, the General Data Protection Regulation 2016/679) relating to data protection and processing of personal data, as well as with the Agreement, including any appended data protection agreement, when processing personal data under the Agreement. Supplier may only process personal data under the Agreement in accordance with Newtrax's instructions as applicable from time to time and shall not be entitled to process personal data under the Agreement for any purpose or in any manner other than is necessary to perform obligations pursuant to the Agreement. #### **16. FORCE MAJEURE**

16.1 Neither Party shall be liable in respect of any breach or non-performance of the Agreement if and to the extent that such Party is prevented or delayed from performing its obligations under the Agreement due to extraordinary circumstances outside such Party's control and provided that such circumstances could not have been avoided by such Party and were not foreseeable at the time of execution of the Agreement. Force Majeure events shall not include financial difficulties, non-performance of a sub-supplier, shortage or lack of material or resources or shortage of transport.

16.2 A Party who wishes to rely on an impediment referred to in Clause 16.1 above for discharge of its obligations hereunder must, without delay, inform the other Party thereof. A corresponding duty to inform the other Party shall apply when the impediment, which the Party has relied on for release of its obligations, has come to an end.

16.3 If the fulfilment of the Agreement or a delivery thereunder is delayed or is likely to be delayed for at least three (3) months due to Force Majeure, each Party is entitled to terminate the Agreement with immediate effect upon providing the other Party with written notification.

#### **17. TERMINATION**

17.1 Without prejudice to any other right or remedy available under the Agreement, law or these Conditions, either Party shall have the right to terminate the Agreement and any or all Purchase Orders with immediate effect and without compensation to the other Party if; (a) the other Party should pass a resolution, or any court should make an order, that the other Party shall be wound up or if a trustee in bankruptcy, liquidator, receiver, or manager on behalf of a creditor should be appointed or if circumstances shall arise which would entitle the court or a creditor to make a winding-up order or if it otherwise is likely that the other Party is insolvent in the reasonable opinion of the other Party; or (b) a Party has committed a material breach of the Agreement (including Sandvik Supplier Code of Conduct and ABC-Laws), and if rectifiable, not rectified the same within thirty (30) days after receipt of a written notice specifying the breach. For the purpose hereof, a breach of any ABC-Laws or Sandvik Supplier Code of Conduct shall for the purpose of the Agreement not be considered to be rectifiable; or (c) in the event that a Force Majeure situation has not been cured within three (3) months.

17.2 Newtrax shall have the right to terminate the Agreement or a part of it with immediate effect and without compensation to Supplier if Supplier ceases to carry out its business or the ownership or control of Supplier or a material part of its business change.

17.3 If Newtrax terminates the Agreement under Clauses 17.1 or 17.2 above, Newtrax shall be entitled to return all or part of the unused Goods to Supplier at Supplier's cost and Supplier shall reimburse Newtrax for all paid invoices of the returned Goods in full.

#### **18. AFTERMARKET BRANDING AND STOCK**

18.1 During the Term of the Agreement and for a period of ten (10) years after its termination or expiration, Supplier shall offer to sell and deliver spare parts relating to the Goods, if applicable, to Newtrax. Supplier shall offer such spare parts at commercially reasonable terms, prices and delivery terms. However, due to the fact that the lifetime of the Newtrax products is often unknown, all phase outs of the Goods are to be planned by Newtrax and Supplier in advance.

18.2 On a written request of Newtrax, Supplier shall free of charge brand the Goods, the packaging, the labels and/or the Documentation with the Newtrax trade names and/or trademarks identified by Newtrax in writing. Supplier must comply with any instructions and brand guidelines provided by Newtrax regarding the use of Newtrax trade names and/or trademarks. Also, on request of Newtrax, Supplier shall use Newtrax part-numbers in lieu or in addition of its own part-numbers.

18.3 In case Newtrax reasonably identifies excess or surplus stock within 12 months after delivery, Supplier shall buy-back such Goods, on the condition that such Goods are reusable and resalable, and with the exclusion of Goods made specially for Newtrax. The buy-back price shall be the current purchase price and shipping shall be done at Newtrax's expense.

#### **19. MISCELLANEOUS**

19.1 If part of the Agreement is or becomes invalid or non-binding, the Parties shall remain bound to the remaining parts. The Parties shall replace the invalid or non-binding part by provisions which are valid and binding and the effect of which, given the contents and purpose of the Agreement, is, to the greatest extent possible, similar to that of the invalid or non-binding part.

19.2 The rights and obligations of the Parties, which by express provision or by nature extend beyond the termination of the Agreement, shall survive the termination of the Agreement (including but not limited to, warranties, confidentiality, applicable law and settlement of disputes).

19.3 Neither Party shall have the right to assign the Agreement or a separate Purchase Order or any of its rights or obligations hereunder to any third party without the prior written consent of the other Party. Notwithstanding the above-stated, Newtrax shall always be entitled to assign the Agreement or a separate Purchase Order or its rights and obligations thereunder to its Affiliates or to a third party to which the business subject to the Agreement or a separate Purchase Order is sold or transferred, upon written notice to Supplier.

19.4 A Party waives a right under these Conditions or the Agreement only if it does so in writing. A waiver by a Party concerning the other Party's breach of the Agreement shall not be construed as a waiver of subsequent breaches against the same or another term of the Agreement.

19.5 All notifications or consents relating to the Agreement or a separate Purchase Order shall be made in writing in the English language to a contact person nominated by each Party by mail, telefax or another mutually agreed manner in accordance with the contact details given by such Party.
